

# 15104 Seniors Project

## We ❤️ Our Seniors

Make research participation a part of your [healthy aging](#) plan.  
Sign up today!

### The Basics

Research volunteers must be age 65 and older and live in the 15104 ZIP code.

### Our Purpose

We are studying different parts of health and aging. This includes the ability to think, understand, remember, concentrate, solve problems, etc. Help us understand what allows people to lose or preserve these abilities as they grow older.

<b>WHO</b>	Seniors aged 65 and older
<b>HOW LONG</b>	Up to 3 ½ hours once a year
<b>WHERE</b>	Your residence or our office: 501 Braddock Ave, Suite 101 Braddock, PA 15104

**Call us to volunteer  
or for more  
information:  
1-866-796-9428**

Join your family, neighbors, and friends to participate in research to help future generations live long healthy lives.
